Warm greetings from Sahajanand College of Nursing. We are pleased to invite you to attend a National Workshop Hands on Practice. The workshop, organized by Sahajanand College of Nursing, will take place on November 24 and 25, 2025.

Vision of Sahajanand College of Nursing

The Sahajanand College of Nursing was established to educate nurses who will be professionally competent, ethically sound individual who will have the knowledge, skills, and attitude necessary to deliver holistic health care in all settings and to participate in educating professional nurses.

Vision of NSS

Nursing Scholar Society was established with the thought of "Care to the Caregivers" Nursing scholar society conveys a commitment to providing support, resources, and empowerment to those who dedicate their lives to caring for others. This vision centers on the idea that by nurturing and empowering caregivers, we can ultimately enhance the quality of care provided to patients and create a more compassionate and sustainable healthcare system.

SAHAJANAND COLLEGE OF NURSING

Sahajanand College of Nursing was established in the year 2008 and is run By Shree Narnarayan Education Trust. The College is affiliated with Gujarat University, approved by The Gujarat Nursing Council and The Indian Nursing Council. The institution set new standards of excellence in nursing education and practice.

The college aims at an educational program that focuses on good knowledge, skills, attitude and abilities to qualify as nursing professionals in today's highly competitive and health conscious society.

Candidates deciding to do Nursing are required to possess high motivation towards the Nursing profession, with special qualities and a spirit of altruism, commitment, and dedication to work.

THE NURSING SCHOLAR SOCIETY

The Nursing Scholar Society is non-profitable professional association with the main vision "Care to the Caregivers", The main mission of the NSS is to encourage the scholarly skill of nurses in writing and speech in all the spheres of the nursing profession keeping this aim in mind, it was decided to have a national level conference on the theme "Education Strategies and Challenges".
