NURSING SCHOLAR SOCIETY (N.S.S)

Nursing Scholar Society is Non Profitable Professional association with the main vision “Care to the Caregivers”. The main mission of the N.S.S is to encourage the Scholarly skills of Nurses in writing and speech in all the spheres of the Nursing profession. Keeping this aim in mind it was decided to invite applications for Dr. Narula-Khanna , Research Scholarship Award.

The Nursing Scholar society is inviting application for research scholarship among the student nurses, Nursing Officers, Researchers and all professionals. Nursing Scholar Society (N.S.S.) supports research in nursing to advance knowledge in the field of education and practice. Graduate students seeking support for research are eligible.

DR. NARULA – KHANNA, RESEARCH SCHOLARSHIP AWARD

NURSING SCHOLAR SOCIETY (N.S.S.) intends to present the Research scholarship Award to to the nurses in various category. The award honors the spirit of inquiry and dedication to the establishment of nursing knowledge to improve the health of all. Priority areas for funding are research proposals that relate to the improvement of nursing education and practice or to reduction of health disparities. However, proposals in any areas of nursing research are eligible for consideration.

The purpose of the Research support grant is to encourage qualified students and professional nurses in nursing to contribute to the advancement of nursing through research by providing assistance with the direct costs of their research.
